THAT'S  
TRUE!

IT'S REALLY  
HARD IF YOU

YOU HAVE

YOU  
CAN...

ACT  
LIKE YOU

I

I thought of this in the  
middle of winter here though  
this is a story that takes  
place in the middle of  
summer (but was published  
in the April magazine).

Anyway, thank you for letting  
me write this story, because

even though I complain a  
lot, this is one my favorites.

Talking about summer, I  
really like the smell of mos-  
quito-repelling incense.

## How to Sell

I am not sure why he is so popular, but people said, "I like this guy," about the one with glasses. Why? I love blondes who get two older sisters.

I sometimes wear a pin, instead of a stud, like Asahi does. I don't want [why?]

I stole Kyabakura's name from a wonderful character in *Love, Financier* and *A Farm's Whisker*.

## Writer's Apologies

The names of the main character's friends, and my parent's names. The decision to reach is my younger brother.

And like the main character I can't swim, I need an inner-cube.

During the story, a heart fun comes up, that's because when I was writing the names, I was getting hungry.

When some eyes of food comes up again, please think, "Ook, tomorrow is hungry."

## "Dynasty Warriors 2"

It is very fun. Chuyou is the character that I really like, and when he is in a state of drunkenness I leave the other members of the army to come and help him.

Oh my goodness.

I got out all the characters, but it was very hard (especially Kourin!).

If number three comes out, I'll request any of the sales that the store owns. I'll win and buy it.
